Why choose Fashion Clubwear?

FCW
FASHION
CLUBWEAR

1. Australian made garments

No relying on offshore suppliers. Fashion Clubwear manufactures everything in Melbourne and we have our own in house design, manufacturing, cutting, embroidery, screenprinting and sublimation departments. For further information go to www.fcw.com.au and watch the video explaining our manufacturing and supply processes.

2. Ethically made goods

Fashion Clubwear are registered as an Ethical manufacturer so there is complete transparency in the manufacturing process. All workers are paid as per the award, there is no under age labour. Regular donations of garments are made to the registered charities of The Smith Family and The Avalon Centre. We hold a full Bowls Australia manufacturing license.

3. Sustainable manufacturing

Fashion Clubwear recycles the majority of our fabric waste. We use bulk packing as a means of reducing our plastic waste. Our machinery and equipment is geared towards using power in the most efficient manner.

4. Free on line ordering

Fashion Clubwear can provide your club with a free on line retail shop through which orders and payments can be made making it much easier for you to manage the entire ordering and supply process.

5. Excellent supply timelines

Fashion Clubwear can supply your order for garments within 4-6 weeks for repeat orders. For new orders it will take 6-8 weeks.

6. Free design service

Fashion Clubwear will assist you to design your club apparel at no charge. We welcome members of your club to visit us and sit with our design team to accurately design your new garments.

7. Design your own Facility

Fashion Clubwear also provide a 'design your own' facility on our website and invite you to try this(www.fcw.com.au)

8. Personal Service

Here at Fashion Clubwear we pride ourselves on providing our customers with "The Personal Touch". We encourage you to visit us or alternatively we can visit your club wherever possible.
